

ANNOUCEMENT No. 4/2022
Of Director Mineral and Energy Economy Research Institute,
Polish Academy of Sciences in Krakow/Poland
From 4 November 2022

Director Mineral and Energy Economy Research Institute, Polish Academy of Sciences in Krakow announces a competition for the position of research assistant in the field of geothermal research in the DIVISION OF RENEWABLE ENERGY SOURCES.

Candidates should meet the conditions set out in Article 89, paragraph 4. Act on the Polish Academy of Sciences of April 30, 2010, with subsequent changes.

Requirements:

- possession of the master degree in the engineering and technical sciences, in the discipline of environmental engineering, mining and energy
- possession of a certificate confirming knowledge of English or another congress language (German, French, Spanish, Russian, Italian) at a level of at least B2,
- achievement and involvement in work related to the issues required by the competition (achievements and involvement in the work related to the issues required by the competition).

An additional advantage will be:

- awareness of energetic, technical and environmental issues of the utilization of water and geothermal energy, confirmed by participation in at least 3 national or international projects,
- work experience in energy and heating aspects confirmed by a certificate of employment,
- experience of the preparation of reports/audits on building energy demand,
- knowledge of energy modelling programs,
- experience in scientific and research work,
- experience in organizing workshops and seminars for various stakeholder groups.

When entering the competition, you must provide:

1. Application for employment addressed to the Director of the Institute with a signed information clause (Annex 1).
2. CV.
3. Copy of the master degree diploma in the engineering and technical sciences, in the discipline of environmental engineering, mining and energy.
4. Certificate confirming knowledge of a foreign language mentioned in the requirements.
5. List of published and implemented research works.
6. A statement that the Institute is the basic place of work (if the competition is won).
7. Declaration of acceptance of the terms of the competition.

Additional information and dates:

1. Full time work.
2. Employment period - for an indefinite period from **16 December 2022**.
3. The Candidates are kindly requested to submit their applications to Mineral and Energy Economy Research Institute, Polish Academy of Sciences (31-261 Krakow, J. Wybickiego 7A) in an envelope with an annotation: **Competition-Announcement No. 4/2022**.
4. The deadline for submitting documents is **28 November 2022**.
5. The competition will be settled on **29 November 2022**.
6. Failure to inform the candidate about the results of the competition is tantamount to rejection of his offer.
7. The Institute does not provide housing.

DYREKTOR INSTYTUTU

prof. dr hab. inż. Krzysztof Galos

Information clause

In accordance with the Act of May 10, 2018 on the protection of personal data (Journal of Laws of 2018, item 1000) and in accordance with the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46 / EC (GDPR), we would like to inform you that:

1. The administrator of your data contained in the application documents is the Mineral and Energy Economy Research Institute, Polish Academy of Sciences in Krakow/Poland with its registered office at ul. J. Wybickiego 7A, 31-261 Krakow, <https://min-pan.krakow.pl/institut/>.
2. The administrator has appointed a Personal Data Protection Inspector who can be contacted in all matters relating to the processing of personal data by the Institute and the exercise of rights related to data processing by e-mail at the following address: inspektorODO@min-pan.krakow.pl.
3. Your personal data will be processed only for the purpose of conducting a competition for the position of an assistant at the DIVISION OF RENEWABLE ENERGY SOURCES- the legal basis for the processing of your personal data is art. 6 sec. 1 letter c of the GDPR.
4. You have the right to access your personal data and the right to rectify it, the right to request deletion, processing restrictions, the right to transfer data, the right to object to the processing of data, the right to withdraw consent (if granted) at any time without giving any reason, without affecting the lawfulness of the processing that was carried out on the basis of consent before its withdrawal.
5. Providing your personal data is voluntary, but failure to do so makes it impossible for you to consider your application.
6. From the moment of obtaining your personal data will be processed for the period necessary to achieve the purpose indicated in point. 3, and thereafter for a specified period in the provisions of the Act of July 14, 1983 on the national archival resource and archives (Journal of Laws of 2019, item 553).
7. Your personal data will not be shared with other entities (administrators), except for entities authorized under the law. The administrator will not transfer your data outside the European Economic Area.
8. The data administrator does not profile you.
9. You have the right to file a complaint with the supervisory body – the President of the Personal Data Protection Office (Warsaw, ul. Stawki 2), if you feel that the processing of your personal data violates the provisions of the GDPR.

I confirm that I have read the above information regarding the processing of the personal data provided by the Administrator and I declare that I consent to the processing of the personal data provided as a person authorized to give such consent.
