

ANNOUCEMENT No. 1/2025
Director of the Mineral and Energy Economy Research Institute,
Polish Academy of Sciences in Krakow/Poland
From 29th January 2025

Director of the Mineral and Energy Economy Research Institute, Polish Academy of Sciences in Cracow, announces a competition for the position of professor in the field of mining geology in the THE DIVISION OF MINERAL RESOURCES ACQUISITION.

Candidates should meet the conditions set out in Article 89, paragraph 1. Act on the Polish Academy of Sciences of April 30, 2010, with subsequent changes.

Requirements:

- Academic title of Professor of Engineering and Technical Sciences in the discipline of Environmental Engineering, Mining, and Energy.
- Significant scientific achievements in the field of mining geology and in the area of managing the deposit economy process.
- Possession of creative scientific accomplishments and recognition within academic community.
- Active participation in academic life (attendance at national and international conferences, symposia, involvement in national and international organizations and scientific societies, organizing conferences, symposia, seminars, and maintaining international contacts).
- Participation in opinion-forming activities (reviews of doctoral dissertations, habilitation theses, monographs, articles, studies, and other works).
- Proven experience in leading research projects.
- Organizational achievements.

An additional advantage will be:

- Significant achievements in the application of international systems for reporting solid mineral deposit resources and authorization to prepare public reports (so-called Mineral Expert's Report, MER).
- Supervision of at least two doctoral candidates to completion.

When entering the competition, you must provide:

1. Application for employment addressed to the Director of the Institute with a signed information clause (Annex 1).
2. CV.
3. A document confirming the attainment of the academic title of professor.
4. Information on scientific and organizational activities, in accordance with the competition requirements.
5. List of publications.
6. A statement declaring that the Mineral and Energy Economy Research Institute of the Polish Academy of Sciences will be the primary place of employment (if the competition is won).
7. A statement of acceptance of the competition conditions.

Additional information and dates:

1. Full time work.
2. Employment period - for an indefinite period from **3rd February 2025**.
3. The Candidates are kindly requested to submit their applications to Mineral and Energy Economy Research Institute, Polish Academy of Sciences (31-261 Krakow, J. Wybickiego 7A) in an envelope with an annotation: **Competition-Announcement No. 1/2025**.
4. The deadline for submitting documents is **19th February 2025**.
5. The competition will be settled on **20th February 2025**.
6. Failure to inform a candidate about the competition results is equivalent to rejecting the offer.
7. The Institute does not provide housing.

Information clause

In accordance with the Act of May 10, 2018 on the protection of personal data (Journal of Laws of 2018, item 1000) and in accordance with the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46 / EC (GDPR), we would like to inform you that:

1. The administrator of your data contained in the application documents is the Mineral and Energy Economy Research Institute, Polish Academy of Sciences in Krakow/Poland with its registered office at ul. J. Wybickiego 7A, 31-261 Krakow, <https://min-pan.krakow.pl/instytut/>.
2. The administrator has appointed a Personal Data Protection Inspector who can be contacted in all matters relating to the processing of personal data by the Institute and the exercise of rights related to data processing by e-mail at the following address: inspektorODO@min-pan.krakow.pl.
3. Your personal data will be processed only for the purpose of conducting a competition for the position of professor at the DIVISION OF MINERAL RESOURCES ACQUISITION - the legal basis for the processing of your personal data is art. 6 sec. 1 letter c of the GDPR.
4. You have the right to access your personal data and the right to rectify it, the right to request deletion, processing restrictions, the right to transfer data, the right to object to the processing of data, the right to withdraw consent (if granted) at any time without giving any reason, without affecting the lawfulness of the processing that was carried out on the basis of consent before its withdrawal.
5. Providing your personal data is voluntary, but failure to do so makes it impossible for you to consider your application.
6. From the moment of obtaining your personal data will be processed for the period necessary to achieve the purpose indicated in point. 3, and thereafter for a specified period in the provisions of the Act of July 14, 1983 on the national archival resource and archives (Journal of Laws of 2019, item 553).
7. Your personal data will not be shared with other entities (administrators), except for entities authorized under the law. The administrator will not transfer your data outside the European Economic Area.
8. The data administrator does not profile you.
9. You have the right to file a complaint with the supervisory body – the President of the Personal Data Protection Office (Warsaw, ul. Stawki 2), if you feel that the processing of your personal data violates the provisions of the GDPR.

I confirm that I have read the above information regarding the processing of the personal data provided by the Administrator and I declare that I consent to the processing of the personal data provided as a person authorized to give such consent.
