

**ANNOUNCEMENT No. 8/2025**  
**Acting Director of the Mineral and Energy Economy Research Institute,**  
**Polish Academy of Sciences in Krakow/Poland**  
**dated 30<sup>th</sup> September 2025**

The Director of the Mineral and Energy Economy Research Institute, Polish Academy of Sciences in Cracow, announces an open competition for the position of Associate Professor in the field of power engineering, with particular emphasis on renewable energy, energy storage, and the hydrogen economy, as well as modelling of fuel and energy systems in the DIVISION OF MINERALS AND ENERGY SUSTAINABLE DEVELOPMENT.

Candidates must meet the conditions set out in Article 89, paragraph 4. Act on the Polish Academy of Sciences of April 30, 2010, with subsequent changes.

**Requirements:**

- post-doctoral degree (D. Sc.) in the field of engineering and technical sciences, in the discipline of Environmental Engineering, Mining and Energy,
- experience in research programs (national research projects, EU research projects, statutory research, own research, research for industry),
- active participation in scientific life (participation in national and international conferences and symposia, membership in national and international scientific societies, organization of conferences, symposia, seminars, and maintaining international contacts),
- participation in expert and advisory activities (reviews, expert reports, opinions, etc.),
- engagement in organizational activities.

An additional advantage will be:

- significant scientific achievements in the field of power engineering, including renewable energy, energy storage, the hydrogen economy, and modelling of fuel and energy systems,
- experience in managing and implementing projects and expertise for public institutions or enterprises from the power sector,
- a certificate confirming knowledge of English or another congress language (German, French, Spanish, Russian, Italian) at a level of at least C1,
- experience in using software tools such as GAMS, Matlab, and Python.

**When applying for the competition, the following documents must be submitted:**

1. Application for employment addressed to the Director of the Institute with a signed information clause (Annex 1).
2. Curriculum Vitae (CV).
3. Document confirming the post-doctoral degree (D. Sc.) in the field of engineering and technical sciences, in the discipline of Environmental Engineering, Mining and Energy.
4. A certificate confirming proficiency in a foreign language as specified in the requirements.
5. A list of publications, projects, or research services.
6. Evaluation of scientific achievements prepared by at least one independent academic staff member from outside the employing institution.
7. A statement declaring that the Institute will be the candidate's primary place of employment (if the competition is won).
8. A declaration of acceptance of the competition terms.

**Additional information and dates:**

1. Full-time employment.
2. Employment period: indefinite term starting **1<sup>st</sup> December 2025**
3. Candidates are requested to submit their applications for the competition exclusively by e-mail to the following address: [centrum@min-pan.krakow.pl](mailto:centrum@min-pan.krakow.pl), with the annotation **Competition Announcement 8/2025**

Scans of the required documents must be attached to the application.

In the event of winning the competition and taking up employment, the originals of the documents will be required.

4. The deadline for submitting documents is **22<sup>nd</sup> October 2025**
5. The competition results will be announced on **23<sup>rd</sup> October 2025**
6. Information materials concerning the functioning and activities of the Mineral and Energy Economy Research Institute of the Polish Academy of Sciences are available on the website: <https://min-pan.krakow.pl>.
7. We inform that the Mineral and Energy Economy Research Institute of the Polish Academy of Sciences provides the possibility to report legal violations under the "Procedure for reporting violations of law and undertaking follow-up actions", in accordance with the Act of 14 June 2024 on the protection of whistleblowers. The full text of the procedure is available on the Institute's Public Information Bulletin (BIP) website.
8. The Mineral and Energy Economy Research Institute of the Polish Academy of Sciences reserves the right to close the competition without selecting a candidate.
9. Failure to inform a candidate about the competition results is equivalent to rejecting the offer.

### Information clause

In accordance with the Act of May 10, 2018 on the protection of personal data (Journal of Laws of 2018, item 1000) and in accordance with the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46 / EC (GDPR), we would like to inform you that:

1. The administrator of your data contained in the application documents is the Mineral and Energy Economy Research Institute, Polish Academy of Sciences in Krakow/Poland with its registered office at ul. J. Wybickiego 7A, 31-261 Krakow, <https://min-pan.krakow.pl/institut/>.
2. The administrator has appointed a Personal Data Protection Inspector who can be contacted in all matters relating to the processing of personal data by the Institute and the exercise of rights related to data processing by e-mail at the following address: [inspektorODO@min-pan.krakow.pl](mailto:inspektorODO@min-pan.krakow.pl).
3. Your personal data will be processed only for the purpose of conducting a competition for the position of an Institute's Professor in the DIVISION OF MINERALS AND ENERGY SUSTAINABLE DEVELOPMENT – the legal basis for the processing of your personal data is art. 6 sec. 1 letter c of the GDPR.
4. You have the right to access your personal data and the right to rectify it, the right to request deletion, processing restrictions, the right to transfer data, the right to object to the processing of data, the right to withdraw consent (if granted) at any time without giving any reason, without affecting the lawfulness of the processing that was carried out on the basis of consent before its withdrawal.
5. Providing your personal data is voluntary, but failure to do so makes it impossible for you to consider your application.
6. From the moment of obtaining your personal data will be processed for the period necessary to achieve the purpose indicated in point. 3, and thereafter for a specified period in the provisions of the Act of July 14, 1983 on the national archival resource and archives (Journal of Laws of 2019, item 553).
7. Your personal data will not be shared with other entities (administrators), except for entities authorized under the law. The administrator will not transfer your data outside the European Economic Area.
8. The data administrator does not profile you.
9. You have the right to file a complaint with the supervisory body – the President of the Personal Data Protection Office (Warsaw, ul. Stawki 2), if you feel that the processing of your personal data violates the provisions of the GDPR.

**I confirm that I have read the above information regarding the processing of the personal data provided by the Administrator and I declare that I consent to the processing of the personal data provided as a person authorized to give such consent.**
